EARN MONEY FOR YOUR SCHOOL, TEAM, OR GROUP

JOHNNY O'S SPUDNUTS is now offering fundraiser cards to help you earn money for your school or youth organization. Fundraiser cards are a great way to boost your organization or build hype around a specific event.

Sell our fundraiser cards for \$25 and keep \$12.50 for your organization. That's half the profit! The other \$12.50 comes back to us so we can keep producing excellent product and develop more programs like this that benefit the community.

PLANNING YOUR FUNDRAISER

STEP ONE: Contact your local JOHNNY O'S SPUDNUTS shop to tell us how many cards to set aside for your fundraiser. We'll also establish a fundraiser deadline that is seven days after your date of pick-up.

STEP TWO: Come pick up your fundraiser cards for free at the store and start selling! Remember to keep track of how many cards you sell.

STEP THREE: Return any unsold fundraiser cards by your fundraiser deadline and tally up the costs to share with us. For each card you sold, you'll share \$12.50 of the \$25 profit with us. Any unsold cards that you are unable to return to us will be added to your total at \$12.50 per card.
